INTRODUCTION

The Information Resources Centre of Manitoba Health is pleased to present the much anticipated **Catalogue of Audio Visual Materials** which contains all the films, videocassettes, slide/tape presentations etc. available for booking and distribution.

The catalogue is divided into two sections. **Section 1** is the **Subject Index** which lists the titles alphabetically by the subject. **Section 2** is the **Title Index** which lists the titles in alphabetical order and contains all the information about each title.

Titles added since the publication of this 1988 Catalogue will appear in the New Acquisitions List and future updates of the catalogue.

Marilyn Brooke
Coordinator
Information Resources Centre

ACKNOWLEDGEMENTS

Alf Goodall, Senior Management Analyst, Manitoba Health Services Commission who was instrumental in determining the process that would allow this catalogue to be prepared and printed.

Phil Paolucci, Programmer, Manitoba Health Services Commission who wrote a program which allowed us to create the Subject Index.

George Gorny, Consultant, Manitoba Culture, Heritage and Recreation who designed the cover.

Information Resources Centre staff who each made some contribution including cataloguing, inputting, checking, and preparing the master for Queen's Printer.
